### **Kallah Review Material**

I hereby certify that the *kallah* \_\_\_\_\_  
has completed the study material, in accordance with custom,  
in preparation for her upcoming *chosunah*.

And that she has also subsequently, and satisfactorily,  
completed the review material as outlined in the  
*Study Guide for Choson • Kallah*.

Therefore, all that remains is to wish her and her future *choson*,  
*mazel tov, mazel tov!*

May you both merit to build a strong and everlasting Jewish home  
on the foundations of Torah and *mitzvohs*  
—exactly as they are illuminated through the light of *chassidus!*

Blessings,

Mrs. \_\_\_\_\_
