Dear Rabbi Jacobs,

I would like to add my name to the list of English speaking *rabonim shl"ita* who encourage and support your ongoing efforts to spread the Rebbe's *mitzah* of family purity through *Family Purity—A Guide To Marital Fulfillment, Times, Zemonim* and *Chochmot Hatahara*.

And particularly with the appearance of the latest in your series, *Study Guide For Choson Kallah*, based on *Family Purity*.

I believe that *choson/kallah* counselors who use the *Study Guide* will only benefit and strongly support issuing some type of personal letter of recognition of those students' competence in these laws as you suggested in your letter to me.

Yishar koach.

Blessings,

Rabbi B. Yorkovitz
